

Tazewell-Mason Counties Special Education Association Professional Development Presentation

Please Distribute To Target Audience:

Speech/Language Therapists & Audiologists

Presenter:

Dr. Tena McNamara (Au.D., CCC-A/SLP)

Diagnosis and Treatment of (Central) Auditory Processing Disorders: A Collaborative Approach

After the course, participants should be able to summarize specific tests used to assess (central) auditory processing disorders with specific auditory skills, describe intervention strategies associated with specific (central) auditory processing deficits, and discuss a collaborative model between the SLP and audiologist when addressing the diagnostic and intervention needs of an individual with a (central) auditory processing disorder.

Date: Wednesday, February 25, 2015

Registration: 8:00 am

Presentation: 8:30 – 3:30 pm

Location: Fondulac Bank
201 Clock Tower Dr.
East Peoria, IL 61611
