- ★ [Hidden Curriculum: Practical Solutions for Understanding Rules in Social Situations](#) - The Hidden Curriculum refers to a set of rules or guidelines that are often not directly taught but are assumed to be known. This "Curriculum" includes unspoken rules, slang, metaphors, body language, etc and can often impact social interactions, school or job performance and sometimes health and well-being. This session includes practical tips for teaching these hidden social needs and stresses the importance of making these a part of everyday life.

- ★ TMCSEA Summer [Autism Experiential Training](#) will be held June 3-6 at Schramm Educational Center. This training is designed for educators working with students on the autism spectrum in both general and special education settings. Registration will be opening soon.
