Check only one box below:

- If the purpose of this release is to receive services or treatment, refusal to sign this release will result in the following consequences: Information will not be disclosed or obtained.
- If the purpose of this release is to determine eligibility, refusal to sign the release will result in the information not being released and may affect this agency's ability to determine eligibility for services.

Signing this authorization is voluntary. I have a right to look at or copy the information being released. I understand that the information released will not be used for marketing without my express permission. I have the right to revoke this authorization by filling out the revocation section at the bottom of this document and returning it to this agency. I realize that once the agency receives my revocation, no more information will be released, used or exchanged. However, I also understand that any information released, used or exchanged prior to the agency receiving my revocation cannot be retrieved.

Restriction on redisclosure: Because Illinois and federal laws are more restrictive than HIPAA, anyone who receives this information cannot give it to anyone else without my express permission. This information includes: mental health or developmental disabilities records; HIV/AIDS/STD and genetic testing records; alcohol and substance abuse records; school and Early Intervention records; WIC; public assistance program records; financial records; legal records; and records of service provided through the Illinois Department of Human Services' Division of Rehabilitation Services.

AUTHORIZATION TO USE/DISCLOSE MEDICAL AND CONFIDENTIAL INFORMATION
